Dolphin Discovery Foundation celebrates 10 years of positive community impact

The **Dolphin Discovery Foundation** is celebrating 10 years of unwavering commitment and dedication. Over the past decade, our Foundation has positively impacted the communities where we operate by improving the lives of thousands of children through contributions in education, housing, and health.

Our efforts have included the donation of financial resources, food, and toys, as well as providing opportunities for over 16,000 children to experience the wonder of meeting a Marine Mammal for the first time.

10,000 Smiles, one of the most popular Foundation's initiatives, celebrated its eighth edition this year.
